ST. ALBERT YOUTH TOOK PART IN FRENCH FESTIVAL

A group of young people took part in the French Festival under the direction of Miss Pauline Vaugeois and accompanied

by Susan Hocheritz. This group has been sponsored by Fr. Chevrier for the last 3 years. It is composed of young people many of them non-French speaking. It was organized with the thought of participating in the French Festival and encouraging singing among the youth. Pauline and Susan have spent quite a few

hectic hours with these boys and girls. The selection of songs by Pauline were very appropriate for the occasion and certainly contributed a great deal in bringing notice to the St. Albert Choir. We are very proud of our group and we appreciate the work done by the two leaders.

Meeting Monday March 23rd.

Masseur There was an application from Mr. W. Herron to operate as a Masseur in the Town of St. Albert. It was moved by Councillor Powell that Mr. Herron be granted a permit to open an office on Pison Street. All councillors voted in favour.

Community Hall and Land The notice of motion regarding the use of the Recreation Ground which didn't come to an official vote at the last meeting, was unanimously approved by Council. Representatives of the Community League were asked by Council to call a membership meeting as soon as possible, so that the members can vote on this agreement between the Community League and the Town of St. Albert.

Recreation By-Law and Board Members Councillor Stewart moved that the present Recreation By-Law be rescinded. This was unanimously approved. The new Recreation By-Law will give Council the power to appoint 4 members to the Board. The School Boards appoint the other 2, 1 from each School Board. Council appointed Drs. Stewart and Shrubal to be the Town's representatives on the new

Recreation Board. The previous Board presented a list of candidates which they recommended as candidates. Councillor Fowler was a little surprised when he couldn't find any men or women from Sturgeon Heights on this list. Councillor Ed. Powell moved that Mr. Chris Gates be appointed to the new Board and all Councillors voted in favour. Councillor Shrobat moved that the remaining 3 vacant seats be advertised in the local paper. All citizens who have had experience in the Recreational field are urged to apply by letter to the Secretary Treasurer of the Town of St. Albert.

Census Council agreed to take a census of the Town of St. Albert in the near future.

The meeting was adjourned at 11:45 p.m.

MEMBERS RECREATION BOARD

Editorial W.N.

During the last Council meeting it became quite clear that Council will be very careful about making a decision regarding the 3 vacant seats for the new Recreation Board. The recommendations of the previous Board were not readily accepted. Councillor Shrobat strongly suggested that the 3 vacant positions be advertised in the local paper so that the new board will consist of men or women who are really interested and qualified to fulfil this important voluntary job. We would like to suggest that the new Board should have at least 2 female members, because they are the ones who can advise regarding women's and girl's recreational problems in our town.

We hope that those citizens in our town who give their heart and experience for organized recreation will apply to the Secretary Treasurer of our Town, so that our Council can appoint these 3 new members as soon as possible, giving the Board an opportunity to start working.

DANCE COURSE

Because of a good response to the Movement and Dance Course for women which was held from January to March, a new 10 week course is to be offered. It will be held again in the McDougall Jun-

ST. ALBERT ON STURGEON PLAYERS

To those who lead a busy existence of all work and no play for materialistic gains, the Sycamore's way of life will give food for thought. Their rare philosophy that "You Can't Take It With You" makes their household a beehive of care-free activity, each pursuing his own individual interest.

Continuing with our introduction of new faces to be seen April 17 and 18, Ted Grisdale will play Paul Sycamore, father of Alice and Essie. Although Ted has previously worked behind scenes with Circle 8 productions, as well as St. Albert on Sturgeon Players, this will be his first experience in front of the foot lights.

Mrs. Sycamore who spreads her cheerful disposition to all who enter her door, is adeptly portrayed by Audrey Lea-Wilson. A teacher of Literature and Language, Grade 10 and 11 at Paul Kane High School, Audrey has had previous work in school plays and has attended a speech course at University.

Anita Arundel, a Grade 10 student at Paul Kane, has just recently come to St. Albert. Her part in the play is that of Alice, the young daughter who, although chooses to lead a more normal life, loves her family dearly as they are.

Tony Kirby, Alice's boyfriend, played by George Soetaert, adds the touch of romance to the plot. George teaches Grade 7 at Vital Grandin and has been active in high school drama as well as C.Y.O. plays at Villeneuve.

The last two members of the Sycamore family, although not newcomers, have only been with the Club this season.

Essie the daughter married to Ed, has the dream of one day being a prima ballerina. Gladys Smith's past experience in musical comedy in England has indeed been useful for this part.

Another teacher in the cast is Glen Morby who teaches at Riverdale High School. His performance is outstanding as Grampa the predominating influence of the family's non-conforming way of life.

We know you will love this heart warming family and invite you to come and meet them. Tickets are now on sale for "You Can't Take It With You", the 3 act comedy by Moss Hart and George Kaufman. Phone 599-6348.

There is a nominal fee of \$2.50 to be paid at the opening class. For registration for the course and any inquiries, contact Miss Pamela Farmer, Parks and Recreation Department, City Hall, Edmonton. Phone GA 4-0211.

The Party Line

This coming week, from April 4 to 11, is Canadian Library Week. This gives an opportunity to emphasize the importance of our own local St. Albert Library. True, it does not boast a great quantity of volumes, but I would venture to say is not warranted. Many of our residents have never visited the Library at all! Lest I sound critical, add my name to the list of half-hearted supporters. But what an opportunity we are missing! Do we give enough encouragement to our children to seek out this wonderful past time, one which undoubtedly would help their studies, and as well give them hours of pleasure and a hobby that is ageless. Television and sports give keen competition, but reading should most certainly have equal time. One can not force a child to like reading, but encouragement does help. Accompanying them on a visit to the Library is one suggestion, another might be to give books for gifts pertaining to their current interest.

The St. Albert Library is a Municipal Library, supported by the Provincial Government and the Town - the Government pays 35% per capita and the Town has paid 50% per capita, and this year have agreed to pay 65%. Our population has been assessed to be 6,880 - last year library supporters were, adults and juveniles 312, children 1,135. Some 1400 new volumes were added in 1963 and from the generous gift from the local I.O.D.E. Father Lacombe Chapter, 96 children's books were added to the children's section.

The librarian, Mrs. Margo Johnston and her volunteer helper, Mrs. Hanson, would be happy to see new faces. They are especially helpful to the youngsters in choosing suitable books.

The Library Board members are: Miss M. Wolniewicz, Mrs. M. Herron, Dr. W. Mirlin and Mr. W. Soprovich.

The Library hours are:

Tuesday 7 - 9 p.m.
Thursday 4 - 6 p.m.
Saturday 2 - 6 p.m.

Better support, I'm sure, would mean additional open hours and more space which is already badly needed. This is a service which is lacking in many communities.

VERN HITTINGER

Also Piano Tuner for Woodward's Westmount

There is a familiar face missing from our midst, this week's Rose of the Week, Miss MacDonald. She will be very much missed by the school children whom she was so fond of and in fact knew most of them by name.

She received her R.N. at the Misericordia Hospital, Edmonton and took her Public Health training at the University of Toronto. Margaret was a Nursing Sister in the army for $\frac{1}{2}$ years and since leaving the army has mainly nursed in this area. In 1948 she was in the Barrhead and Westlock area as a one nurse Health Unit. In 1951 when the Sturgeon Health Unit formed she joined their staff. In 1953 the Sturgeon Unit expanded to include the Barrhead and Westlock area that she formerly served. In 1961 the Unit moved its headquarters to the new build-

ing on Piron Street in St. Albert. Her future plans are not known at this time but we are sure that whatever they are she will give her best as she did so diligently here in St. Albert. She gave many extra hours for the Prenatal classes and the mothers will certainly miss her kind concern and advice in the Well Baby Clinic.

■ you, Miss MacDonald, we wish you good luck in your future endeavors and pay you this tribute for your fine service to this community, the Rose of the Week, compliments of Marlene's Flower Shop.

Mr. Dick McGee, a strong and very active promoter of more and better co-operation between all the retail businessmen in St. Albert, in explaining the reason for this meeting said, "We have to find a way to make all retail businessmen in St. Albert more active in promoting their town and their businesses. This can only be done if all the businessmen are united in an organization like the Chamber of Commerce."

A motion by Jerry DeWitt was passed to form a Promotion Committee, with the following members being appointed: Chairman Bernie Montpetit, Miss Brooksma, Fern Tompkins, John Goodkey. This committee will have a meeting as soon as possible and bring proposals to the Chamber for a campaign to promote St. Albert as a whole. VANCOUVER SUN MAR. 19, 1964

A young brother and sister suffered severe face cuts when they were attacked by the same dog at separate times.

Lorill Braden 7, and her brother Ross, 3, two of Mrs. Cora Braden's six children, were attacked by a light brown coxer spaniel.

Eight stitches were needed to mend cuts to Ross' face. Lorill's cut lower lip

required four stitches.

Mrs. Braden said Ross received his bite in the morning in the lane near their home.

The dog vanished but re-appeared in the afternoon and Ross pointed it out to Lorill.

"Lorill went to pet it and she was bitten" Mrs. Braden said.

From Our Readers

Dear Sir,

As another resident of Grandin Park, I feel that there must be at least one letter in defense of the dog, his owner and lover. In most cases, the dog that gets

loose and has the energy to roam around the neighborhood is a younger dog, or a pup, who belongs to a small boy or a family of young children. It appears that as long as there are small boys in a neighborhood, there will be spirited dogs. People do not keep pets of any

kind solely to harass their neighbors. Anyone who owns an older dog has no problem. These old friends stay in their own yards and sleep in the sun, completely dependent on the human for his keep and care.

Consideration and co-operation is all that is needed to cope with this problem. Stray animals will generally not be reclaimed from the pound and for those who do reclaim their errant pet to the tune of \$5. - this seems to increase vigilance considerably. People who do not like or keep dogs will not enjoy any measure of satisfaction short of the exiling of all dogs from the town, a physical impossibility. The answer: if your neighbor's dog annoys you, tell your neighbor. If there are stray dogs in your vicinity call the S.P.C.A. who will find homes for these neglected animals.

(Editor's note: If children were the only cause of this dog trouble, it would be quite simple to solve the dog problem. And also, if all our dog owners had the same attitude as this adult "Dog Lover", there would be no dog problem at all in the Town of St. Albert.

Dear Sir,

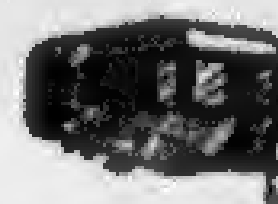

Having read letters by disturbed writers I enclose a picture which you may be able to use as a warning to those who insist upon releasing their dogs to frighten children, ruin gardens, strew garbage, etc.

The dog responsible for these kiddies plight is probably a model pet at home, but when provoked by an unsuspecting but strange child (or adult, can produce the results shown here.

St. Albert is loaded with small children and there is a dog in many of their houses which is perfectly safe around them, but not necessarily so elsewhere.

I don't suppose you can print this picture but I couldn't think of how to warn our citizens in a better way. Can you? Spring and "dog weather" will soon be here. Now is the time to do something about the problem.

I shall add here that in the past year we have lived in St. Albert, dogs have carried off several pieces of personal belongings from our property, including a visitor's rubber recently, which never was recovered.

On the other hand, some animals kept as pets are not properly cared for when tied up. I saw one dog on a six foot strap tied to a house and on a large patch of concrete in the blazing sun one whole afternoon last summer. He had to be confined because of complaints.

A dog run would have solved that problem — and would solve all others in this respect, too. What say everyone?
Yours respectfully,
K. D. Noack.
